Helwan University

Helwan University is a university of technology and applications , it possesses all the factors of distinction and diversity . It is considered to be a unique model among Egyptian Universities as it encompasses Arts, Fine arts, Applied arts, Art education, Music education and Physical Education Faculties.

Being within the heart of an industrial community, Helwan University is considered a unique model among Egyptian universities in general. It comprises 20 faculties as well as 50 research centers and productive units which connect the university with the problems of the Egyptian society.

Faculty of computers and Information Systems

FCIH Is one of the new faculties in the university, it's established in 1996, FCIH primary location was in Garden City, Cairo , Egypt then in 2002 ~ 2003 the faculty have been shifted gradually to the main campus in helwan. Getting into the race starting from 1999. FCIH always try to keep its standard student academic level. FCIH with all its resources serve a harmonic education system with new and pioneered education methods

Journal Topics:

International Journal of the bulletin of informatics is the place for exchange of information and research results within the following scope:

· Machine Intelligence with specific emphasis on:

> · Expert, Agents, Diagnostic and Decision Supporting Systems

> · Data and Web Mining

> · Neural Networks, Fuzzy Systems, Rough Set Theory, Chaos Theory and Evolutionary Algorithms

- Reasoning, Knowledge Extraction and Knowledge Management.

- Applications of Computer Science in Modeling.

- Visualization and Multimedia.

- Data and Information Systems.

- Internet and Distributed Computer Systems.

- Semantic Web Technologies and Social Semantic Web

- Graphics and Imaging

- Bio-informatics

- Natural Language Processing

- Computational Mathematics

- Robotics and Micro-Robotics

- Theoretical Informatics

- Quantum Computing

- Software Testing

- Computer Vision

- Digital Systems

- Pervasive Computing

- Computational Topology

- Information Personalization

- Human-Computer Interaction

- Ensemble Modeling

- Wavelet Representations

- Principle of Concurrency

- Software Life-cycle Management

- Social Network Mining

- Embedded Systems

- Pattern Recognition

- Signal Processing

· Digital Forensics

Purpose

This bulletin is a new avenue to publish the latest scientific research in computer science, Information Systems. It is an opportunity to present and observe the latest research, results and ideas in these areas.

Prof. M. A. Belal

Dean of Faculty of Computers and Information, Helwan University

Executive Editor

Prof. Mostafa-Sami Mostafa

Head of Computer Science Department, Faculty of Computers and Information, Helwan Univ

Editorial Board

Prof. Iraky Khalifa
professor emeritus, Computer Science Department, Faculty of Computers and Information, Helwan Univ.

Prof. Turky Sultan
professor emeritus, Information System Department, Faculty of Computers and Information, Helwan Univ.

Prof. Ahmed Sharaf Eldein
professor emeritus, Information System Department, Faculty of Computers and Information, Helwan Univ.

Prof. Atef Ghalwash
professor emeritus, Computer Science Department, Faculty of Computers and Information, Helwan Univ.

Prof. Aliaa Yousef

Vice Dean for Higher Education and Research, Faculty of Computers and Information, Cairo University , Faculty of Computers and Information, Cairo Univ.

Prof. Hawaf Abdel Hakeem
professor emeritus, Information System Department, Faculty of Computers and Information, Helwan Univ.

 Assoc. Prof. Dr. Mohamed Haggag

Associate professor , Computer Science Department, Faculty of Computers and Information, Helwan Univ.

Assoc. Prof. Dr. Osama Emam
Associate professor , Information System Department, Faculty of Computers and Information, Helwan Univ.

Assoc. Prof. Dr. Mahmoud El Kholy
Vice Dean for Students Affairs, Faculty of Computers and Information, Helwan University .

Assoc. Prof. Dr. Mahmoud Abdel Latif
Associate professor , Information System Department, Faculty of Computers and Information, Helwan Univ.

Assoc. Prof. Dr. Rowida Sadek
Associate professor , Information Technology Department, Faculty of Computers and Information, Helwan Univ.

Assoc. Prof. Dr. Mona Nasr
Associate professor , Information System Department, Faculty of Computers and Information, Helwan Univ.

Dr. Ensaf Hussein
Assistant professor , Computer Science Department, Faculty of Computers and Information, Helwan Univ.

Mrs. Lubna Abdel Aziz
Administrative Secretary, Secretary of Dean , Faculty of Computers and Information, Helwan Univ.

Ms. Asmaa Barakat
Administrative Secretary, Secretary of Head of Computer Science Department , Faculty

of Computers and Information, Helwan Univ.

Contributions:

Length: max 6 pages (inclusive of figures, labels, etc.), further pages (maximum of 8total) may be considered for an accepted paper when accompanied with a fee of --, for each additional paper.

Layout demands: text should be typed in 10pt Times New Roman font on A4 sheet, single spacing, single column format, margins 20mm above and below, 20mm on the right and on the left.
